The estimated amounts are further based on the assumptions that the current level of operations will continue and all external conditions remain constant. Due to the nature of the transactions, the actual value of transactions may vary from the estimated value disclosed above.

2.5 Validity period of the Proposed Shareholders' Mandate

The authority from the shareholders of LKL to undertake the Proposed Shareholders' Mandate, if granted, shall be effective upon the passing of the ordinary resolution for the Proposed Shareholders' Mandate at the forthcoming 7th AGM until:

- (iii) revoked or varied by ordinary resolution passed by the shareholders of the Company at a general meeting,

whichever is earlier.

2.6 Review procedures for the RRPT

LKL has internal control systems to ensure that the RRPT are undertaken on an arm's length basis and on normal commercial terms consistent with the Company's usual business practices and policies, which are no more favourable to the interested parties than those extended to third parties/public and are not detrimental to the interest of the minority shareholders. The management of LKL will ensure that the RRPT with interested parties will only be transacted at the prevailing market rates/prices for the services or products on the usual commercial terms, or otherwise in accordance with applicable industry norms, after taking into account the pricing, the level of services, quality of products and other related factors.

The following methods and procedures have been implemented by LKL Group to ensure proper identification and reporting of RRPT and to ensure that RRPT contemplated under the Proposed Shareholders' Mandate are undertaken on transaction prices and terms not more favourable to the related party than those generally available to the public and are not to the detriment of the minority shareholders:

- (i) Any tender, quotation or contract received from or proposed to be entered with a Related Party will be reviewed by the senior management who will ascertain if it is an approved RRPT. Such tender, quotation or contract will not be approved unless the terms offered to the Group are comparable with those offered by other unrelated parties for the same or substantially similar type of transactions. The transactions with a Related Party will only be entered into after taking into account the pricing, quality, deliverables, level of service and other related facts including competitors' prices of similar products and services in the open market;
- (ii) All transactions entered into pursuant to the Proposed Shareholders' Mandate will be tabled to the Audit and Risk Management Committee for review on a quarterly basis. In its review of such transactions, the Audit and Risk Management Committee may, as it deems fit, request for additional information pertaining to the transactions from independent sources;
- (iii) Records will be maintained by the Company to capture all RRPT entered into pursuant to the Proposed Shareholders' Mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to;

- (iv) The Audit and Risk Management Committee has and shall continuously review the adequacy and appropriateness of the procedures, as and when required, with the authority to sub-delegate to individuals or committee within the Company as they deem appropriate;
- (v) The pricing for services and products to be provided/supplied and/or received is determined based on the Group's business practices and policies to ensure that prices and terms and conditions are based on competitive prices of similar products and services in the open market;
- (vi) Where practicable and/or feasible, at least two (2) other contemporaneous transactions with unrelated third parties for substantially similar products or services and/or quantities will be used as a comparison to determine whether the price and terms offered to/by the Related Party are fair and reasonable and comparable to those offered to/by other unrelated third parties, for the same or substantially similar type of products/services and/or quantities; and
- (vii) In the event that quotations or comparative pricing from unrelated third parties cannot be obtained for the proposed transactions, the Audit and Risk Management Committee shall review the transaction price based on the usual business practices of the Group to ensure that the RRPT are not detrimental to the Company and the Group.

2.7 Threshold for approval of RRPT

There is no specific threshold for approval of RRPT within the LKL Group. All RRPT are subject to the same authority limit threshold established by the respective business units for its other business transactions where transactions of different nature and value are subject to approval by the appropriate level of authority as determined by senior management and/or the Board. Where a Director has an interest (direct or indirect) in an RRPT, such Director shall abstain from deliberating over such transaction.

In addition, the Audit and Risk Management Committee shall review and approve all aspects of the RRPT where the consideration, value of the assets, capital outlay or costs thereof, equal or exceed RM1,000,000, and ensure that they are conducted at arm's length basis. Whilst the senior management (Chief Executive Officer, Chief Financial Officer, Head of Department) shall review RRPT of consideration less than RM1,000,000 and approve by a non-interested director.

2.8 Statement by the Audit and Risk Management Committee

The procedures and processes of RRPT as set out in the sections above are and will be reviewed annually. The Audit and Risk Management Committee of the Company is of the view that the Group has in place adequate procedures and processes to monitor, track and identify the RRPT in a timely and orderly manner.

The Audit and Risk Management Committee has also reviewed the RRPT and is of the opinion that the review procedures in Section 2.6 above are sufficient to ensure that RRPT will be carried out at arm's length and on commercial terms which are not more favourable to the Related Party than those generally available to the public and are not to the detriment of the minority shareholders.
