| <b>Explanation on application of the practice</b> | : | <p>To facilitate the Directors' time planning, an annual meeting calendar is prepared in advance by the Company Secretary at the beginning of the financial year. The calendar provides the Directors with scheduled dates for meetings of the Board and Board Committees as well as the Annual General Meeting ("AGM"). The closed periods for dealings in securities by Directors and Principal Officers based on the scheduled dates of meetings for making announcements of the Group's quarterly results were also provided therein.</p> <p>The notices and meeting papers are generally circulated to the Board and Board Committees at least five (5) working days prior to the dates of meetings. This is to ensure that the Directors have sufficient time to review and peruse the meeting materials from Management for effective deliberation and informed decision making.</p> <p>The deliberations and conclusions of matters discussed in the Board and Board Committees meetings are duly recorded in the minutes of meetings. The draft minutes are circulated for the Board or Committee Chairman's review within a reasonable timeframe after the meetings. The minutes of meeting accurately captured the deliberations and decisions of the Board and/or the Board Committees, including whether any Director abstained from voting or deliberating on a particular matter.</p> <p>The Company Secretary also follows up with Management on the status of action items taken with reference to the previous minutes. These action items would remain as matter arising in the minutes until they are resolved.</p> <p>All the records of proceedings and resolutions passed are kept at the registered office of the Company.</p> |

**Intended Outcome**

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

**Practice 4.2**

The tenure of an independent director does not exceed a cumulative term limit of nine years. Upon completion of the nine years, an independent director may continue to serve on the board as a non-independent director.

If the board intends to retain an independent director beyond nine years, it should justify and seek annual shareholders' approval. If the board continues to retain the independent director after the twelfth year, the board should seek annual shareholders' approval through a two-tier voting process.

The ARMC reviews the effectiveness of the risk management function and deliberates on the risk management and internal control frameworks, functions, processes and reports on a regular basis.</p> <p>For the financial year under review, the ARMC is assisted by the Management as well as the outsourced Internal Auditors to identify and assess the significant risks faced by the Group and to ensure that appropriate risk treatments were in place to mitigate the risks that affecting the achievement of the Group's business objectives. The Internal Auditors reports directly to the ARMC and the internal audit plans are tabled to the ARMC every quarter for review to ensure adequate coverage.</p> <p>The risk management and internal control are ongoing processes, which are undertaken at each department. The existing system of risk management and internal control will be continuously enhanced by taking into consideration the changing business environment and be further strengthened with compensating controls and appropriate check and balance mechanism.</p> <p>Further details on the features of the risk management and internal control framework, and the adequacy and effectiveness of the framework, are disclosed in the Statement on Risk Management and Internal Control in the AR 2020.</p> |
